and your planet.™

16 fl. oz.

Dish Wash Liquid Concentrate ☆

If we hesitate to mention that fresh-scented Dish Wash is soft on hands and the earth, it's only because you might think it's soft on grease. But trust us. You need only a few drops to tackle a pile of greasy dinner aftermath. Really. Just a few. This is an exercise in restraint.

Benefits

- Tough on grease. Removes grease better than Method®, Seventh Generation®, Ecover®, Whole Foods®, and Earth Friendly®.*
- Helps loosen baked-on foods so you can use less elbow grease.
- Mild on your hands — special formula won't remove natural oils in your skin, giving you soft hands as well as sparkling dishes.
- Long-lasting suds.
- Leaves your dishes sparkling clean.
- Great camping choice — biodegradable and safe for use outdoors in warm or cold water.

Did you know?

Some dishwashing liquids use petroleum-based surfactants containing detergents such as diethanolamine (DEA) and sodium dodecylbenzenesulfonate. Both ingredients can be skin and eye irritants.

Get Clean Dish Wash Liquid Concentrate does not contain these or other hazardous ingredients.

Shaklee Difference

SAFE
